

Independent Monitoring for Quality Lackawanna/Susquehanna AE Summary 2022

Independent Monitoring for Quality

Making Everyday Lives a Reality

- Independent Monitoring for Quality (IM4Q) visits with adults and children age three and over who are supported by the Pennsylvania Office of Developmental Programs (ODP).
- IM4Q sends interviewers to talk to people who live in licensed community homes. Interviews are also conducted with people who live with their family, life-sharing families, independently, in intermediate care facilities (ICFs/MR), nursing facilities and personal care homes.
- Reports created from Independent Monitoring for Quality interviews are shared with provider agencies, administrative entities/counties, and the Planning Advisory Committee for the Office of Developmental Programs for purposes of

improving peoples' quality of life.

- This information presents some of the findings from the 2021-22 report. For a full report please contact your administrative entity/county or go to the Office of Developmental Programs website at MyODP.org.
