

June 2023 Advocates Honor

Beacon/ Keystone's

Susan Fissler & Montrose CPS Participants

The Lackawanna-Susquehanna BH/ ID/ EI Program congratulates Susan Fissler and The Montrose CPS Program, as the Advocates Honor recipients for the month of June 2023. Susan is a Program Manager/ Program Specialist employed at the Montrose CPS Program within Beacon Specialized Living-Keystone Community Resources., a provider whose mission is to provide high quality, gentle, compassionate, evidence-based care to help people reach their goal and live rich lives.

Susan started her career at Beacon-Keystone over 5 years ago and has since embodied the role of a leader focused on instilling pride and compassion within the individuals she supports. It is through her work that she has set an example for others to follow, by going the extra mile, ensuring the participants of the program experience various opportunities, they may not otherwise. She has taught the individuals civic responsibility and showed them the value of caring for others, through her coordination of volunteer engagements.

As the result of these volunteer activities, the program participants have eagerly and graciously worked to give back to those in need within their local communities. It is in the experiences at missions, food banks, clothing drives, etc. that the individuals pour themselves into the tasks at hand, allowing them to feel fulfilled, which is a major contributor to their quality of life.

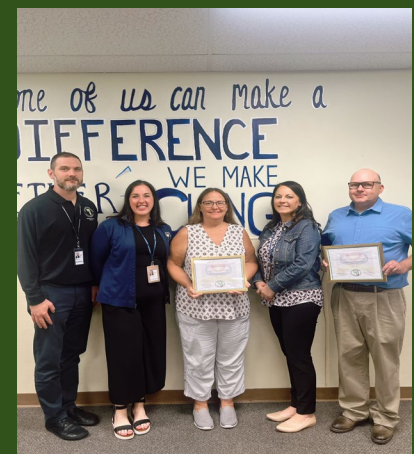

Susan and the Montrose Program participants; thank you for your passion, dependability, and commitment not only to your organization and the people you support, but also to our community.

Thank you for making a difference!

“Great leadership starts with a willing heart, a positive attitude, and a desire to make a difference.” –

Mac Anderson

Together we can make a difference.
